Whereas it appears to the Government that the best approach before it towards the public parties, is not, by the field work of its Country Parties, to present proposals which are based on the principle of the "poll tax" at that stage in society; whereas it is also aware that persons in accordance with the provisions of section 4 (1) of the Land Acquisition Act of 1974, as amended by the Land Acquisition Amendment Bill, No. XXVIII of 1981, and the Governor in Council have authorized the Special Deputy Commissioner, Mr. F. Tampere, himself and workers to remove the poorer households by section 4 (1) of the Act; Under such section (4) of section 4 of the Act, the Governor or Colonial Minister may direct the removal of the owner the possession of section 2.6 of the Act, and also may, by the removal of the waste, render liable to be removed.

material to be obtained in garbrie or self-made quarrying from the source specified in the descriptive list and name items, to obtain same, directly to the tenderer and retain same, for the purpose of obtaining materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract, pay any extra amount for land or for any other item, if such the tenderer is found to be in arrears of the material specified in the schedule. Attention of the tenderer is directed to the schedule "Preliminary Specifications" regarding payment of expenses, tolls, etc.

8. The tenderer's particular attention is drawn to the schedule and clauses in the schedule "Preliminary Specifications" relating to—

(1) form, language and rejection of defective materials and work;

(2) fuel;

(3) carriage;

(4) construction plant;

(5) water and lighting;

(6) clearing up during progress and for delivery;

(7) accidents;

(8) delays; and

(9) particulars of payment.

The tenderer should already possess all the specified tools, machines which govern the mode which he is tendering.

9. A schedule of quantities accompanying the tender must, in the absence of any understanding that the Government does not accept any responsibility for the accuracy or completeness of the schedule, and that the schedule is to be amended by additions, deductions, or alterations at the discretion of the Executive Engineer, General Northern Division, or as may be directed by the tenderer. The tenderer will, however, be bound to accept the schedule of quantities. He should quote specific rates for each item in the schedule and the rates should be in rupees, paise, and in some of these parts. The rates should be written both in words and figures and also in the margin. The tenderer should also show the details of each item and the gross total of the whole contract, and quote in the margin a lump sum for which he will undertake to do the whole work subject to the acceptance of the contract. The schedule upon pricing, the items are tendered shall be written in light and true from the source, measurements as per schedule of figures. Conventions, where applicable, shall be made by writing such, including, during and carrying.

10. Tender offering a percentage deduction from or increase on the material amounts, and those not submitted in proper form or in the case will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. No alteration which is made by

the tenderer in the contract form, the schedule of quantities, the drawings, specifications, or quantities accompanying same will be recognized; and, if any such alterations are made, the tender will be void.

11. The tenderer should call out his own rates, which and amounts being made in the Public Works Department records, schedule of rates or in the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the amount from which certain particular materials shall be obtained by the tenderer are given at the end of the schedule items, paying the tenderer. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market rates for these materials, the charge on the contractor will remain as originally stated at the written contract. No savings or cost (if) charges will be borne by Government in connection with this supply.

13. The attention of the tenderer is directed to the contract requirements as to the time of beginning work, the time of progress, and the date for the completion of the whole work and the several parts. The following rate of progress and proportionate value of work done from time to time, or will be completed by the Executive Engineer's estimate of the value of work done, will be required. Date of commencement of the progress will be the date on which the site for permanent is handed over to the contractor.

Period after date of completion of work	Percentage of work completed based on estimated total amount.
First month ..	15 per cent of the total value of work.
Second month ..	30 per cent of the total value of work.
Third month ..	45 per cent of the total value of work.
Fourth month ..	60 per cent of the total value of work.
Fifth month ..	75 per cent of the total value of work.
Sixth month ..	90 per cent of the total value of work.
Seventh month ..	100 per cent of the total value of work.

14. No part of the contract shall be subject without written permission of the Executive Engineer and shall be made by the contractor's tendering of the contract payment to the contractor's benefit.

15. If further necessary information is required, the Executive Engineer of the District Engineer shall be made by the contractor's tendering of the contract payment to the contractor's benefit.

16. The Executive Engineer or other appointing authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

Amendment
of section 5,
Madras Act
IV of 1914.

2. In sub-section (1) of section 5 of the Madras Medical Registration Act, 1914 (hereinafter referred to as the said Act), for clauses (b) and (b¹), the following clauses shall be substituted, namely:—

"(b) one member elected by the Faculty of Medicine of the University of Madras from among the members of such Faculty;

(b¹) one member elected by the Academic Council of the Andhra University from among the members of the Faculty of Medicine of that University."

Amendment
of section 5,
Madras
Act IV of
1914.

3. After clause (d) of section 5 of the said Act, the following word and clause shall be added, namely:—

"and (7) in case he was elected under clause (b) or clause (b¹) of sub-section (1) of section 5 also on his ceasing to be a member of the Faculty of Medicine of the University concerned."

STATEMENT OF OBJECTS AND REASONS

The Faculty of Medicine of the Andhra University is entitled, under clause (b¹) of sub-section (1) of section 5 of the Madras Medical Registration Act 1914 (Madras Act IV of 1914), to elect a member to the Madras Medical Council constituted under that Act. The Andhra University has recommended that as its Faculty of Medicine is a very small body consisting usually only of three members, the Act may be amended so as to permit of its representative on the Medical Council to be elected by its Academic Council from among the members of its Faculty of Medicine. The Government have accepted this recommendation and now clause (b¹) inserted by clause 2 of the Bill gives effect to it.

The opportunity has been taken to amend clause (b) of sub-section (1) of section 5 of the Act so as to make it clear that the member elected by the Madras University to the Medical Council should be a member of the Faculty of Medicine of that University—see now clause (b) inserted by clause 2 of the Bill.

Clause 3 of the Bill makes what is practically a consequential amendment, and provides for the member elected to the Medical Council by either University vacating his seat on the Council when he ceases to be a member of the Faculty of Medicine of the University concerned. The principle underlying the clause has been accepted by both the Madras and the Andhra Universities.

BILL No. 11 OF 1935.

A Bill further to amend the Madras City Municipal Act, 1919, for a certain purpose.

Madras
Act IV of
1935.

WHEREAS it is expedient further to amend the Madras City Municipal Act, 1919, for the purpose hereinafter appearing; it is hereby enacted as follows:—

1. This Act may be called the Madras City Municipal (Amendment) Act, 1935.

Madras
Act IV of
1935.

2. (1) Notwithstanding anything contained in sub-sections (1) and (2) of section 55 of the Madras City Municipal Act, 1919 (hereinafter referred to as the said Act), the Local Government may, by notification in the Fort St. George Gazette,—

For the purpose of
the term of
divisional
councillors.

(a) extend for a period not exceeding six months from the date of the commencement of this Act the term of office of the ten divisional councillors whose term expires, under sub-section (1) of section 55 of the said Act, at noon on the first day of November 1935;

(b) direct that the ordinary elections of divisional councillors required to be held under sub-section (2) of section 55 of the said Act in the months of August and September 1936, shall be postponed accordingly.

STATEMENT OF OBJECTS AND REASONS.

A comprehensive Bill to amend the Madras City Municipal Act, 1919 (Bill No. 21 of 1934), was introduced in the Legislative Council on the 6th August 1934, and the report of the Select Committee on the Bill was published in the Fort St. George Gazette on the 26th July last. The report will be presented to the Legislative Council at the meeting in August next. The Bill is so all probability likely to be passed either in that meeting or in the October meeting this year, and it is expected that the Amending Act will come into force almost immediately thereafter, that is to say, in December next or in January 1936. The new constitution envisaged by the Amending Bill will thus come into existence very shortly. Under the Bill, there will be a general election for all seats before the 1st November 1936 at the latest. It is considered inadvisable to hold elections as required by sub-section (2) of section 55 of the existing Act, in August and September of this year to fill the ten divisional seats which

will fall vacant in November next, as the councillors so elected will have only a very short term of office. It is therefore proposed to extend the term of office of these councillors by a period not exceeding six months so that they may continue in office until the Amending Act comes into force when action will be taken under the transitional provisions contained therein.

Bill No. 12 of 1935.

A Bill to amend the Agriculturists' Loans Act, 1934, in its application to the Presidency of Madras, for a certain purpose.

WHEREAS it is expedient to amend the Agriculturists' Loans Act, 1934, in its application to the Presidency of Madras, for the purpose hereinafter appearing:

It is hereby enacted as follows:—

Short title.

Amendment of section 4, Act XII of 1934.

1. This Act may be called the Agriculturists' Loans (Madras Amendment) Act, 1935.

2. In sub-section (1) of section 4 of the Agriculturists' Loans Act, 1934, after the words "the relief of distress," the words "or indebtedness," shall be inserted.

XXI of 1935

STATEMENT OF OBJECTS AND REASONS.

Sub-section (1) of section 4 of the Agriculturists' Loans Act, 1934 (XII of 1934), empowers the Local Government to make, from time to time, rules as to loans to be made to owners and occupiers of arable land for the relief of distress, the purchase of seed or cattle, or any other purpose not specified in the Land Improvements Loans Act, 1933, but connected with agricultural objects. It is not clear whether this provision will enable the Local Government to make rules regulating the grant of loans to owners and occupiers of arable land for the relief of indebtedness. It is accordingly proposed to amend the Agriculturists' Loans Act, 1934, in its application to the Presidency of Madras so as to bring loans for the relief of indebtedness expressly within the scope of sub-section (1) of section 4 of that Act. The Bill is intended to give effect to this proposal.
